

DATA SHARING REQUEST FORM

The purpose of this *Data Access Request Form* is to facilitate requests for access to the original dataset ("**the GoT dataset**") from the following publication ("**the Source**"):

Lystad RP, Brown BT. "Death is certain, the time is not": mortality and survival in Game of Thrones. *Injury Epidemiology* 2018;5:44.

The GoT dataset is the property of the authors of the Source. Provided the requirements of the relevant *Data Sharing Policy* are met, researchers and academics ("**Requesters**") may be granted access to the GoT dataset. To allow the Data Custodian to assess the eligibility of requests for access to the GoT dataset, Requesters will have to complete this *Data Sharing Request Form*.
